Retirement Contributions: 18.54 % of pay

HOURS: **Rotating Schedule - Weekends, Holiday and Evening (must be willing to work rotating schedule)**

DESCRIPTION: This is professional service work specializing in emergency dispatch functions. In the Department of Public Safety, this position is accountable for independently providing a communications link between law enforcement, emergency services and the general public having statewide and nationwide impact. Responsibilities include operating, monitoring, and maintaining various complex communications equipment including: radio communications system, computer aided dispatch, computerized enhanced 911 system, Law Enforcement WAN, TDD, NAWAS, EAS etc.). This position formulates strategies to expedite resolution of emergency and non-emergency situations in an environment where only limited standardization exists. Conducts independent research and provides confidential information on matters such as: criminal history, wanted persons, stolen property, motor vehicle data, and restricted law enforcement information to appropriate personnel. Coordinates emergency and specialized personnel mobilization efforts when situations occur such as: aircraft down, disaster protocols, bomb threats, hostage situations, search and rescue operations, suspicious deaths, ect. Work is performed under limited supervision.

NOTE: Any selected candidate must be able to pass a background check and a polygraph before actually qualifying for the position.

Michael P. Cantara
Commissioner

Posting Date February 13, 2007

Closing Date: March 1, 2007

KNOWLEDGES, SKILLS AND ABILITIES REQUIRED:

- Knowledge of and the ability to operate, monitor, and maintain complex communications equipment
- Knowledge of terminology, coding, symbols, and abbreviations used in radio communications
- Knowledge of and the ability to interpret and apply state and federal laws, statutes, regulations, and procedural guidelines relating to law enforcement
- Knowledge of CPR and principles relating to Emergency Medical Dispatch
- Knowledge of and ability to access both State and Federal Wide Area Computer Networks
- Ability to make timely and accurate decisions under stressful and time-sensitive conditions
- Ability to handle several enhanced 911 calls simultaneously
- Ability to detect discrepancies within agency databases and implement trouble reporting and/or service calls
- Ability to document all incidents on a Computer Aided Dispatch System (CAD)
- Ability to prioritize incidents
- Ability to perform duties with a minimum of supervision

AUTOMATIC DISQUALIFIERS: You should be aware before starting the application process that you will automatically be eliminated for any of the following:

1. Have been found guilty of murder or any crime classified in Maine law as a Class A, Class B, or Class C crime (any felony) or a conviction for any equivalent crime in another jurisdiction outside the State of Maine.
2. Have been found guilty of any crime classified in Maine law as a Class D and/or Class E crime (misdemeanor with a maximum possible term of imprisonment of less than one year) or a conviction for any equivalent crime in another jurisdiction outside the State of Maine;
3. Have been found guilty of any of the following provisions of the Maine Criminal Code or a conviction for any equivalent crime in another jurisdiction outside the State of Maine:
 - 1) Chapter 15 (Theft);
 - 2) Chapter 19 (Falsification in Official Matters);
 - 3) Chapter 25 (Bribery and Corrupt Practices); or
 - 4) Chapter 45 (Drugs);
